## LEONARDO HOTEL GRONINGEN

### CENTRAL LOCATION

Visit one of our youngest hotels, in the province of Groningen. You must have been in this city at least once in your life. Leonardo Hotel Groningen is located right next to Martini Plaza and near the city center. The industrial and idiosyncratic look makes our hotel radiate as much guts and energy as the city itself.

With a 20-minute walk you are next to the Martini Tower, in the middle of the city center of Groningen. And with our bicycles you will be in the center within 12 minutes. It is also possible to come by public transport, from the central station the bus will take you to our hotel within 5 minutes. Visit the Groninger Museum or discover the international character of this city.

### PERFECT FOR MEETINGS AND EVENTS

The Leonardo Hotel Groningen is located next to the A7 highway and has its own parking garage under the hotel. This makes our hotel an ideal base for meetings and events.

The hotel has two multifunctional boardrooms, both of which offer many possibilities. The rooms are very suitable for practical events, such as courses or workshops, but also for a meeting or brainstorming session. After a successful event or a long meeting, you can relax in one of our attractive hotel rooms or clear your head in our fitness room. Combine your meeting or event with a trip to the tourist attractions in the city center of Groningen.

## CHEF'S! FOOD & DRINKS

Take a seat at a table on the industrially decorated third floor. Whether you come for breakfast, update your e-mail or for a meal or a drink, the heart of our hotel is the place to be. At Chef's! Food & Drinks they do not believe in keeping kitchen secrets or a classical kitchen brigade.

You get a look in the kitchen and a delicious dish is prepared for you with passion and enthusiasm.
